

TDT Victoria is  
hosting an Information session for companies who would like to  
know more about the  
Cadetship in Logistics Program.

The Cadetship is being run successfully in metropolitan Melbourne  
in 2008 & was developed to encourage post-secondary school  
youth into the T&L industry in a structured employment and  
education program.

The program has been enthusiastically welcomed by industry and  
we are looking to expanding the reach of the program in 2009.

Come along and hear how the program is working successfully for  
the current Employers of the Cadets and how it could work for  
you.

The forum will be held on Tuesday August 26<sup>th</sup>  
at 10am.

At the Victorian Transport Association offices  
Wirraway Dr Fisherman's Bend

To RSVP or for more information please contact  
Mrs. Kerri Langes 9326 7211 or email [kerri@tdtvictoria.org.au](mailto:kerri@tdtvictoria.org.au)
