

This workshop is designed to create awareness of the fundamentals and principles of load restraint so participants can obtain a basic knowledge of their various obligations and responsibilities - not only for the safety of their staff, but also to raise awareness of their responsibilities under Chain of Responsibility.

What the Load Restraint Awareness workshop will cover

- What is CoR?
- Responsibilities and obligations under CoR
- Why do we restrain loads?
- 5 key steps to carrying a load safely
- Restraint methods
- Tips for load restraint
- Breaches of load restraint under CoR
- Next steps.

Workshop outcomes

- You will leave with an understanding of how your role relates to CoR
- You will leave with an understanding of why load placement and load restraint are critical to your business
- You will leave with the skills and knowledge to assess your company's compliance under CoR
- You will leave with tips about load restraint
- You will leave with an understanding of breaches under CoR

Who should attend

- Loading managers
- Dispatch staff
- Loading and packing staff
- Drivers

About the presenter

David Vaughan is an experienced supply chain professional and has had many years in the CoR world, most recently heading up Compliance for Coles Supply Chain (covering Coles, K-Mart, Target, Officeworks, Toll, Linfox, Polar Fresh, Wightmans, Costa Group, and the list goes on). He holds a Bachelor of Business, Certificates in Operations Management, Purchasing and Planning, Training and Assessment, and is a qualified Auditor, Food Safety and Dangerous Goods Practitioner.

David has sat on many industry committees, including the Australian Logistics Council, Industry Skills Council and regularly works with Regulatory Authorities, peak Industry Bodies and enforcement groups. David is passionate about CoR and imparting knowledge to help businesses achieve excellent outcomes.
